

## Water Treatment Equipment- Azad Contractors & Traders Pvt Ltd

### **10"/ 20" Industrial / Domestic Water Filter Housing**

- **Name:** - 10"/ 20" Industrial Slim line Filter Housing
- **MOC:** - Polypropylene.
- **Color:** - Blue/Black.
- **Available End connection:** - 1/2", 3/4" and 1"
- **Max Working Pressure:** - 5Kg.
- Ideal for online filtration systems at home, restaurants, drinking
- Possible to remove suspended particles, odor from water subjected to cartridges.
- Optional: - Spanner, Air Release Valve, L – clamps to hold the filter, Nuts

### **10"/ 20" Jumbo Heavy duty water Filter Housing**

- **Name:** - 10"/ 20" Big Blue Filter Housing
- **MOC:** - Polypropylene.
- **Color:** - Blue/Black.
- **Available End connection:** - 1" & 1.5"
- **Max Working Pressure:** - 7Kg.
- Ideal for online filtration systems at home, restaurants, drinking
- Possible to remove suspended particles, odor from water subjected to cartridges.
- Include: - Spanner, Air Release Valve
- Optional - L – clamps to hold the filter, Nuts

### 10"/ 20" SPUN cartridges Slim & JUMBO

- Filtration rating from 1 to 150 Micron
- High strength & pressure resistance
- Manufactured in continuous length
- Full range of sizes from 10" to 40" Length
- Excellent flow with low pressure drop
- High dirt holding capacity
- Compatible with a wide range of fluids
- Applications

- **Polypropylene wound filter cartridge**

- Organic Acids, Oils
- Concentrated Alkalis, Water
- Organic solvents, Electroplating solution

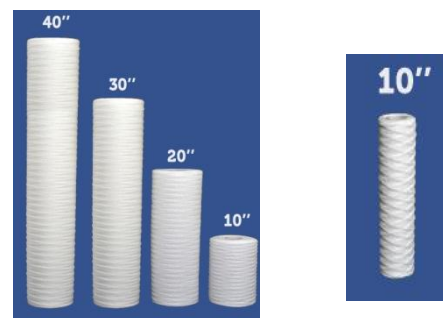

- **Cotton wound filter cartridge**

- Vegetable Oils, Dilute Acids
- Organic solvents, Portable liquids
- Alkalis

### 10"/ 20" Wound cartridges Slim & JUMBO

- Filtration rating: 1, 5, 10, 25, 50, 75, 100 Microns
- Outer Diameter: 60 mm (2"), 63.5 mm (2.5"), 101 mm (4"), 114mm (4.5")
- Full range of sizes from 10" to 40" Length
- Excellent flow with low pressure drop
- High dirt holding capacity
- Applications:
  - Food & Beverages, Cosmetics, Water Treatment
  - Pharmaceuticals, Petrochemicals, Metal Finishing
  - Fine Chemicals, Magnetic coating:

### 10" Slim / 20" CTO cartridges Slim & JUMBO

- Filtration rating: 5 Micron
- Removes Chlorine, Sediment, Taste, Odor, And Organic Chemicals
- Extruded Carbon With Enhanced Adsorptive Capacity
- Outer Diameter: 63.5 mm (2.5"), 101 mm (4"), 114mm (4.5")
- 10" 20" length Size
- Excellent flow with low pressure drop
- High dirt holding capacity

#### Applications:

- Food & Beverages, Cosmetics, Water Treatment
- Pharmaceuticals, Petrochemicals, Metal Finishing
- Fine Chemicals, Magnetic coating:
